**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I strongly believe in encouraging competition in the high-speed Internet service provider space. As a consumer, I have very few choices and most of those choices I do have are with big companies like AT&T and Comcast. In comparison to those, Sonic offers a better product with better service and policies. The symmetrical gigabit service I get from Sonic, with it's fair price and consumer friendly policies, is important to me both in my personal and professional life.
